THANK YOU FOR YOUR DONATION!

Locks of Love commits to all recipients on a LONG-TERM basis, allowing them to receive custom prostheses, every 2 years until the age of 21. Because of these extended promises, our current financial obligation is many multiples of our annual expenses. Currently, we hold, in unrestricted financial reserves, approximately 10 times the annual expenses of 2023, (\$704,419) \$7,304,143. While the number does not meet the current financial obligation to our children, our goal is to fulfill our promise of support until each child reaches their 21st birthday.
